CIRCUIT

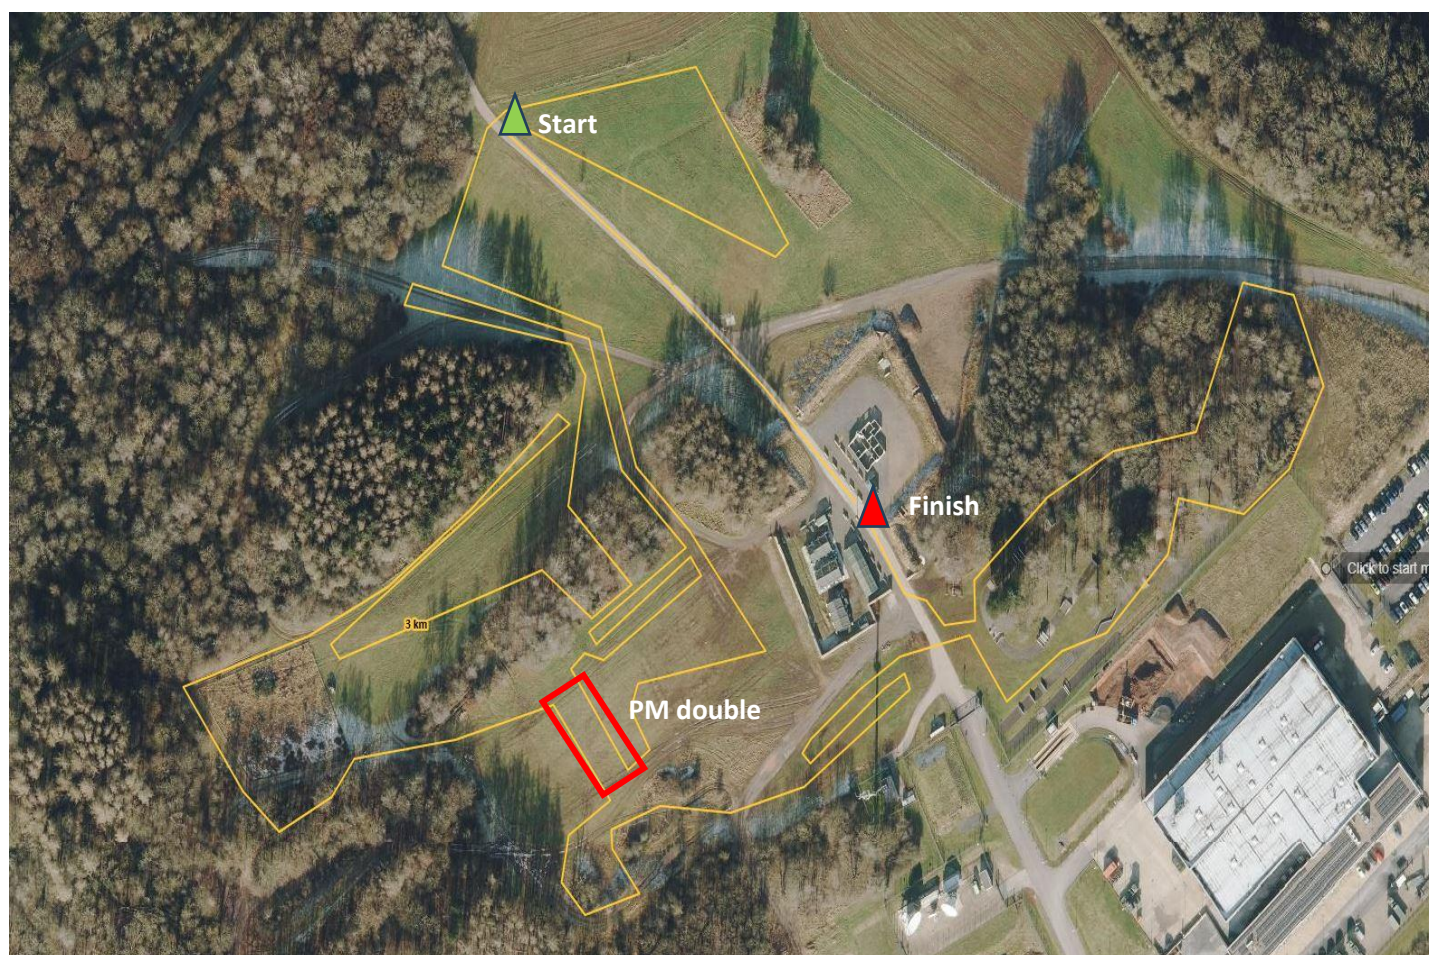

Circuit Length: 3 km fully closed loop.

Finish Line: Located inside the FOB (Forward Operation Base) on the Herrenberg Plateau.

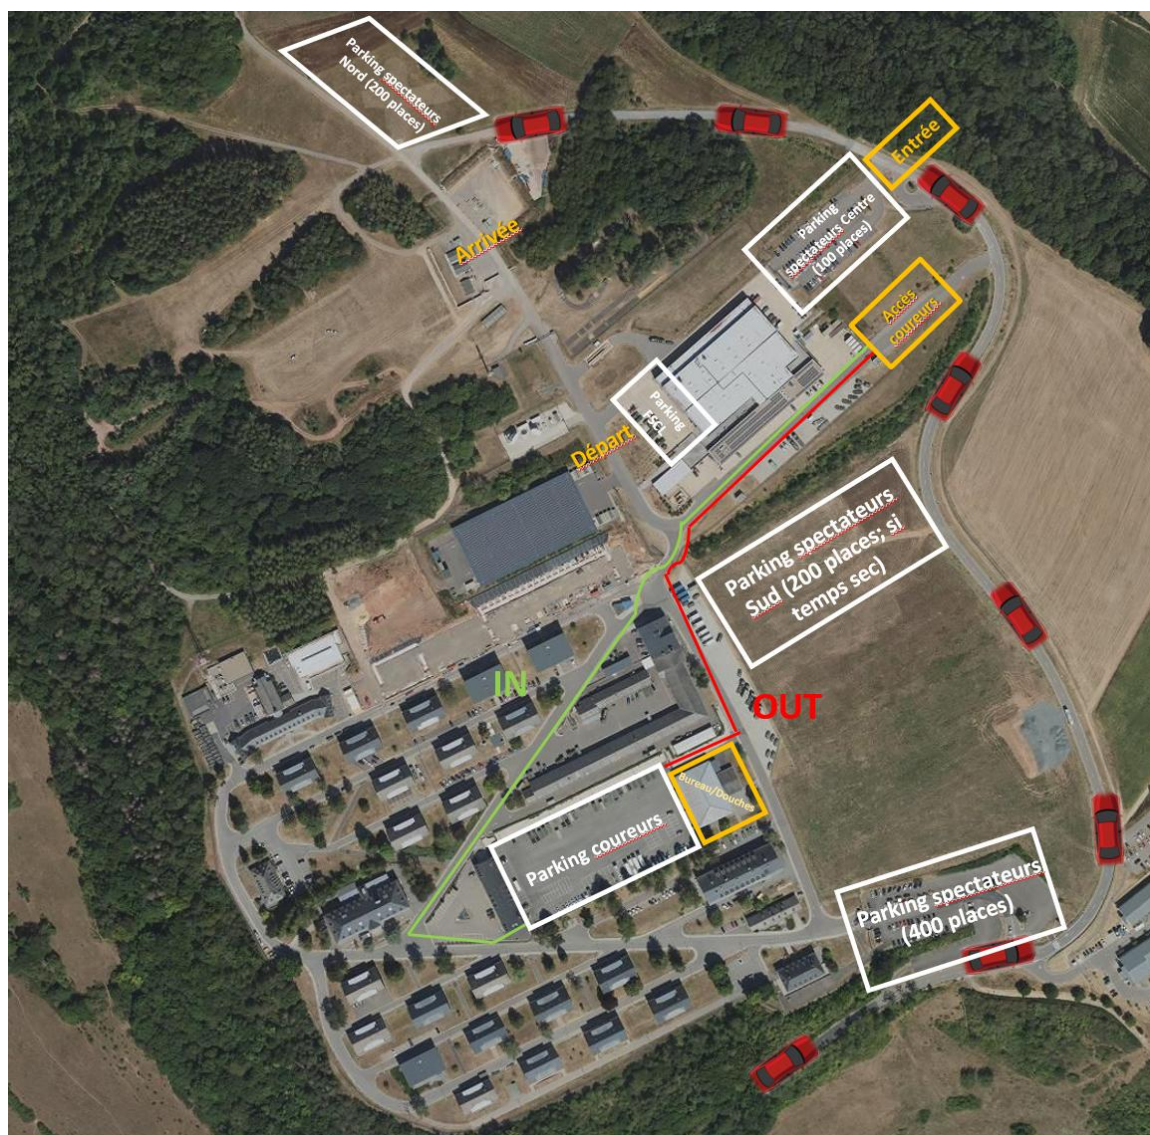

Start Line: Approximately 200 meters from the finish line.

Start Procedure: The race will start with a pistol shot.

Training Access: From 7 November onwards, the circuit will be open and available for riders' training until race day (0800-1700)

Site Plan

Site Access

Access to the barracks will be permitted from 10:00 onwards.

Delegations, officials, and staff are requested to follow the indicated entry routes and parking instructions.

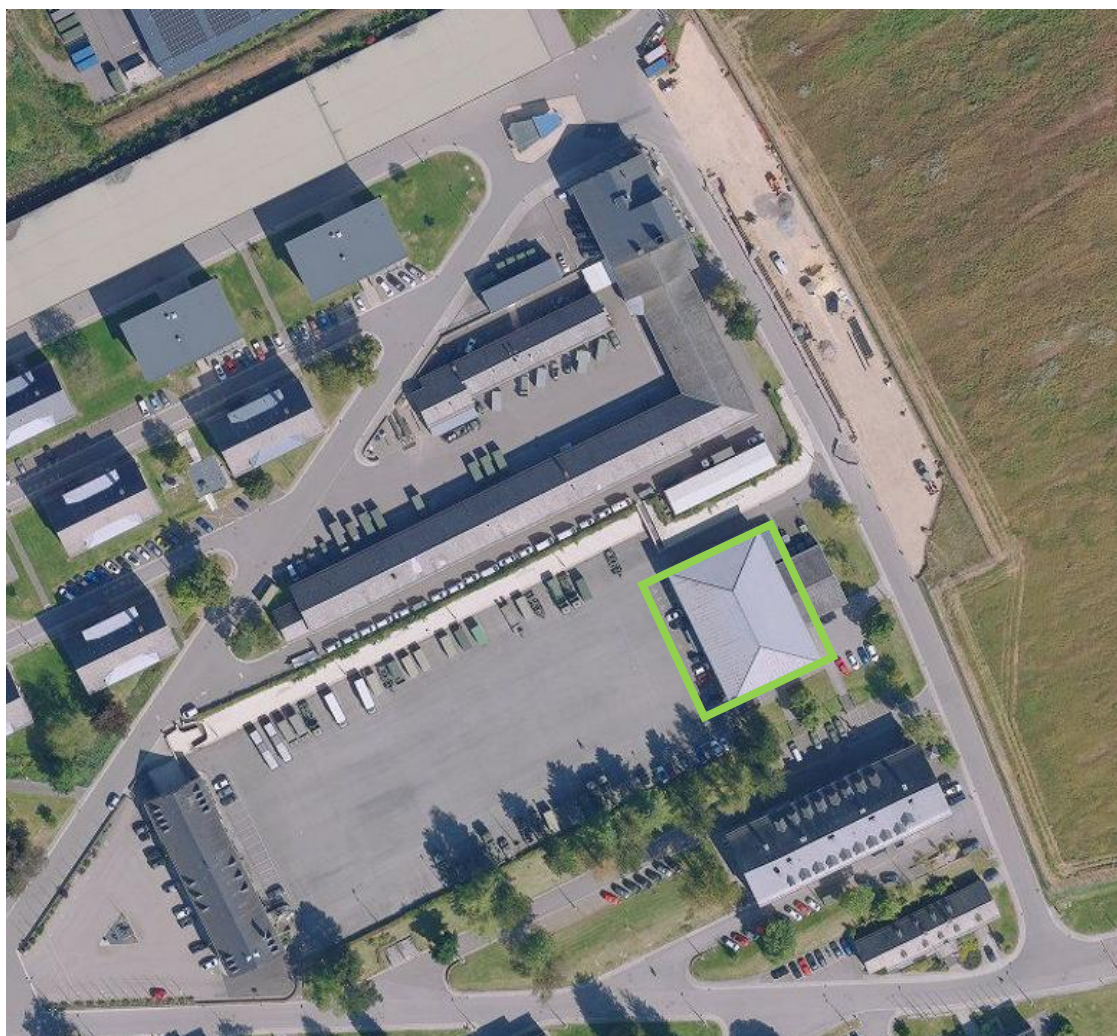

Security checks will be in place; please allow sufficient time for arrival and registration

TEAM

Start Order

As the military race is integrated into a Skoda Cross Cup event, the following start order has been established:

Riders classified in the national CX ranking will be called up alternately with military riders

The starting order of the military riders was determined by a draw conducted by the organizer

The start line-up has been approved by CISM and the FSCL.
